#### AUDI A6 (4A/C8)

The taut surfaces, the sharp edges, the vigorous lines: the new Audi A6 expresses the most innate sporty elegance, the charm of high-tech to guarantee uncompromising quality.

A sporty character that the single frame grille, wide and lower, the thin headlights and the air intakes with very marked profiles express best.

A lateral silhouette characterized by sculpted lines that reduce the view of the height from the ground and a roof line that reaches the low rear pillars similar to a taut arch.
