AUDI Q8 (4M)

The Audi Q8 is the sportiest, most exclusive and refined SUV of the brand with the four rings. Characterized by a length of 4.99 meters, a width of 2 meters and a height of 1.71 meters, the new SUV coupé is wider, shorter and lower than its "sister" Q7. Thanks to the impressive octagonal single frame, the Audi Q8 brings the new face of the Q family to its debut. Six vertical chrome slats reinforce the grandeur of the grille. The roof has a coupé-style layout, thanks to the frameless doors, and ends with an aerodynamic roof spoiler.
